

DELAWARE STATE COUNCIL KNIGHTS OF COLUMBUS

GOOD OF THE ORDER 2010 - 2011

The assembled delegates to the Sixty-seventh Annual Meeting of State Council urge adoption of these proposals and recommend that proper steps be taken to see that the proposals are carried out to the best of our ability. It is recommended and suggested that the Grand Knight of all councils keep the “Good of the Order” Report handy for use throughout the year, and make copies available to council members.

A. State Officers and Council Officers

1. It is recommended that the State Deputy will provide for the proper and fitting installation of the State Officers in the month of July.
2. It is recommended that the District Deputies arrange for the installation of council officers by the end of September. The Installation ceremony should be incorporated in a Mass with families and friends of the council members in attendance.
3. It is recommended that a directory of State, Council and Assembly Officers be published and distributed by State Council before the twentieth day of September. The directory should include council and Fourth Degree Assembly names, charter date, meeting location and time, officers’ names, addresses, telephone numbers, web address, wives names and titles of past officers (where appropriate). A calendar of events for State Council should be included in the directory. This calendar will be updated and published on a regular basis
4. Councils and Fourth Degree Assemblies are asked to refer to the state calendar when scheduling their events to avoid conflicts with State sponsored events. To assure correct and accurate information, District Deputies, Grand Knights and Financial Secretaries, Navigators and Comptrollers are responsible for submitting their directory information to the State Advocate no later than the twentieth day of July.
5. It is recommended that Grand Knights, Deputy Grand Knights, Financial Secretaries and Program Directors and any interested Brother Knight attend the State Council Orientation Seminar to learn, discuss and enlighten themselves on their roles and responsibilities.
6. It is recommended that name tags for the State Officers, District Deputies, District Wardens, State Council and Program Directors be procured by State Council and distributed prior to the State Officer Installation Ceremony. Additionally, it is recommended that all councils procure name tags for their Officers and distribute them prior to Council Installation.

7. It is recommended that State Officers visit councils at a regular business meeting at least once during the Columbian year.
8. It is recommended that the Grand Knight or his designee submit the council's recommendation(s) for new Council Chaplain and Associate Chaplain to the Chancery Office, through the State Deputy, for the Bishops consideration, disposition and appointment.
9. It is recommended that State Council and Subordinate Council Officers attend as many State Council sponsored functions as possible. Grand Knights should also encourage council members to attend State Council sponsored functions.
10. To add dignity to meetings and public appearances, it is recommended that all State and Council Officers be properly attired, when appropriate, with coats, ties, the jewel of their office, and name tag. Coats and ties are optional in July and August.
11. It is recommended that councils should make every effort to assume payment of, or grant forgiveness of dues required of deacons and seminarians.

B. Membership

1. It is recommended that energetic programs be directed toward increasing membership in councils. Particular emphasis must be placed on attracting the youth, so vital to the continuation of our Order. State Council Directors should provide the necessary encouragement and sufficient incentives to accomplish this end.
2. It is recommended that the District Deputy form a membership recruitment team in each district to help councils in the district with membership drives.
3. It is recommended that State Council purchase ads in the Dialog to support spring and fall membership drives.
4. It is recommended that all Knights of Columbus functions should include, where appropriate, some emphasis on membership.
5. It is recommended that State Council, by the September State Officer Meeting, schedule firm dates for Third Degrees. Degrees should be held in both the northern and southern parts of Delaware.
6. It is recommended that each council propose at least one member of their council to serve on a Second or Third Degree team.
7. It is recommended that councils schedule membership drives in their parishes at the beginning of the Columbian year with their Pastor and Parish Administrator.

8. It is recommended that each council make every effort to retain their members by referring members at risk to their council retention team. It is further recommended that Brother Knights who might be suspended or removed from the roll have their names read at a Business Session of the council. Any suspensions thought to be necessary by a council should be turned over to the State Council before being submitted to Supreme.
9. It is recommended that councils establish a First Degree Team. District Deputies should encourage and assist councils within their districts in this effort.
10. It is recommended that a First Degree be scheduled frequently enough within each district to accommodate the timely acceptance of new candidates into our Order. The scheduled place and time should be coordinated with the State Ceremonial Chairman.
11. It is recommended that the State Council continue the practice of hosting a monthly First Degree.
12. It is recommended that councils encourage candidates to dress in business casual or appropriate attire.

C. Remembrance of Deceased Brothers

1. It is recommended that the State Council hold a Memorial Mass at the Annual Meeting of State Council. The State Secretary will read the names of our deceased brothers of the current Columbian Year at this Mass. The names will be submitted to the State Secretary by each Financial Secretary two weeks prior to the Annual State Council Meeting.
2. It is recommended that councils recognize the importance of having a Memorial Mass and continue this practice during the month of November for deceased members of their council. Each Grand Knight is to provide advance notice to his District Deputy as to the time and place of this Mass.
3. It is recommended that councils have five Masses offered preferably in the council's parish.
4. It is recommended that attendance at the viewing and funeral of deceased brothers or their immediate family is strongly encouraged by councils. Notification as to the time and place would be helpful by publicizing information on the State E-mail Group.
5. It is recommended that councils set up a committee to follow through on the welfare of widows of deceased members and to include them in all council activities and council mailings.
6. It is recommended that the Grand Knights, or their designate, will inform the State Chaplain of the death of a member, listing his next-of-kin and his address. This will enable the State Chaplain to write the next-of-kin a letter of condolence on behalf of the State Council, informing said next-of- kin that a Mass is being offered for the deceased.

7. It is recommended that councils present a “Resolution of Condolence” (available from Supreme Council Supplies Department) to the next-of-kin of a deceased Brother Knight. We recommend that Grand Knights and Faithful Navigators utilize the Knights of Columbus Memorial Service for deceased members as appropriate.
