

Knights of Columbus

Campaign for People with Intellectual Disabilities

The Knights of Columbus is a Catholic Family, Fraternal Service Organization. Our 1.8 Million dues paying members and their families are dedicated to the ideals of Charity, Unity, Fraternity and Patriotism. We work to benefit our communities, Church and fellow man. In the past ten years alone, Knights have worked effectively on programs to benefit people with intellectual disabilities and countless others in need, donating more than \$1 Billion and providing nearly 491 million hours of volunteer community service.

As part of the program, adult representatives of the organization work in teams distributing Tootsie Rolls free of charge to other adults. In return, a collection cup is shown and donations are requested to support those with intellectual disabilities.

Thank you for your cooperation that will help us continue this record of financial commitment and volunteer support. Please note that 100% of the profits from this project go directly to agencies and programs servicing people with intellectual disabilities.
