

Knights of Columbus

Tootsie Roll Drive

Program Highlights

- Please email your order requests to jgrieshaber@comcast.net. I will contact you to arrange for pick-up or delivery.
- The **ENTIRE** proceeds raised should be sent to the State Tootsie Roll Chairman by **April 1, 2011**, no deductions; the State will pay the cost of Tootsie Rolls and aprons. The state will remand 25% from each Council to be donated to the Delaware Special Olympics. Councils must name the recipients for the 75% that each Council can award; only charities involved with helping mentally retarded citizens can be designated. The State Secretary will then return checks to Councils for their named charities for Council distribution. These procedures assure compliance with IRS regulations.

Please verify that donation recipients conform with Knights of Columbus ideologies.

- Plan early! Many stores have certain times when solicitations are not permitted. Make your arrangements now for later in the year so you are not competing with Girl Scout Cookies and Little Leagues!
- As part of the program, your Council's and Assembly's help is also needed at other Special Olympics Delaware and Delaware Foundation Reaching Citizens With Cognitive Disabilities (DFRC) programs:
 - *Special Olympics Delaware Soccer Skills Competition, 9:30 am:
 - Tuesday, October 12, Ennis School Georgetown
 - Wednesday, October 13, Charlton School, Camden-Wyoming
 - Thursday, October 14, University of Delaware, Newark

***Color Corp is Requested for Opening Ceremonies**
